The MOU

Date

10 October 2014

Parties

- (i) The Company;
- (ii) The Investor; and
- (iii) Mr. Wong.

To the best of the Directors' knowledge, information and belief and having made all reasonable enquiries, the Investor and its ultimate beneficial owners are Independent Third Parties.

Pursuant to the MOU, the Company intended to allot and issue, and the Investor (or through its nominee) intended to subscribe new Shares (which shall not be more than 6% of the issued share capital of the Company as enlarged by the Proposed Subscription) at the Subscription Price of HK\$0.6779 per Subscription Share to be satisfied in cash.

Subscription Price

The Subscription Price of HK\$0.6779 per Subscription Share represents:

- (i) a discount of approximately 0.31% to the closing price of HK\$0.68 per Share as quoted on the Stock Exchange on 9 October 2014, being the last trading day prior to the date of the MOU; and

The Subscription Price was determined after arm's length negotiation between the Investor and the Company on the date of the MOU with reference to the volume weighted average price of the Shares for the 20 trading days immediately prior to (but excluding) the date of MOU. The Subscription Price shall be settled in cash. The Directors consider that the Subscription Price is fair and reasonable and the Proposed Subscription is in the interests of the Company and the Shareholders as a whole.

Conditions to the Proposed Subscription and Definitive Subscription Agreement

The Proposed Subscription is subject to, and conditional upon the Investor being satisfied, within 180 days after the date of the MOU, at the Investor's sole discretion, with the results of its due diligence review on the Company.

Guaranteed Yield and Deed of Undertaking

The parties to the MOU agree that if the Proposed Subscription shall materialise, as a condition precedent to Completion, Mr. Wong shall enter into a Deed of Undertaking in favour of the Subscriber undertaking, amongst others, to pay the shortfall to the Subscriber in the event that the Subscriber shall sell any of the Subscription Shares and the Additional Shares during the Relevant Period resulting in a rate of return of less than 8% per annum (the "**Guaranteed Yield**"). The Group is principally engaged in the operation of “Synertone 1” broadband communication satellite and the provision of core components of specialized communication system. The products of the Group are mainly utilized by end-users for public safety and emergency communication purposes.

The Directors consider that the Proposed Subscription does not only represent an opportunity to broaden the capital base and the shareholders base of the Company, but also represents a milestone to the Company in getting the recognition by an international top notch investor like the Investor of the commercial value of the Group’s latest plan to develop the first 4G mobile satellite telecommunication network system in the PRC. The Directors consider that the joining of a new non-executive Director to be nominated by the Subscriber will enhance the corporate governance of the Company and will help to build up a strategic cooperative relationship between the Group and the Investor.

The Directors also consider that the entering into the MOU and the transactions contemplated thereunder are in the interests of the Company and the Shareholders as a whole.

If the Proposed Subscription shall materialise, assuming that there will be no change in the issued share capital of the Company between the date of this announcement and the Completion Date and assuming that the Subscriber will subscribe the maximum number of Subscription Shares constituting 6% of the issued share capital of the Company as enlarged by the Proposed Subscription, the total funds to be raised and the net proceeds from the Proposed Subscription are expected to be approximately HK\$273.47 million and HK\$273.17 million respectively.
