The Company intends to apply the net proceeds from the Placing as general working capital and/or further investments of the Group as and when the opportunities arise. The Directors are of the view that the terms of the Placing Agreement are fair and reasonable, and the Placing will strengthen the Group's financial position, broaden the Company's shareholder base and is in the interests of the Company and the Shareholders as a whole.

Given that completion of the Placing, which is subject to fulfillment of the conditions under the Placing Agreement, may or may not take place, Shareholders and potential investors of the Company are advised to exercise caution when dealing in the securities of the Company.
